Dear Friends at Italian Ama la Onlus,

It is with a great sense of grief that the children and the staff members of TCV Ladakh received the very sad news of the fast spreading COVID 19 in your country and closing all commercial activities, offices, cafes and most importantly losing lots of human lives. In this hour of grief resulting from irreparable personal loss, we assure you that we are by your side. We pray that you will be granted with the strength to bear this heavy personal loss most stoically with the knowledge of Buddhist way of thinking needed in such situations in life.

Italian people and Italian Ama la's kindness to the children and elderly people in Ladakh, is on such a vast scale that we have no means to repaying it. The only thing that we can do is to pray from heart for the speedy recovery of infected peoples in your country and for strength to you all at this most difficult time in your life.

We share your grief and that His Holiness will inspire you for strength to bear this most heavy human loss.

With our heartfelt condolences,

Yours Sincerely,

For The Tibetan Children's Village, Ladakh
